Courses in italics indicate how the course is being used to meet UMaine requirements for this agreement (additional requirement/categories met by that course are listed in parenthesis).

Special Notes

A grade of C or better is required for History courses to count toward the BA in History.

Courses taken at CMCC as part of the CMCC 18 credits of General Education Electives listed above should not include any History courses to ensure that a minimum of 60 credits are taken from outside the academic major.

For an up-to-date list of how CMCC courses transfer to UMaine and which CMCC courses can be used to meet UM General Education Requirements, please consult the UMS Online Transfer Equivalency Tool that can be found online at (Maine Street) <https://peportal.maine.edu/>.

Courses taken at CMCC in which the student did not earn the required grade to satisfy either transfer credit or degree requirements would need to be retaken at either UMaine or CMCC in order to earn the grade needed to count toward the degree at UMaine. Once enrolled at UMaine, the student would need to seek permission from his or her advisor and complete a domestic study away form to alert Student Records if they plan to take any courses at CMCC.

Suggested course sequence for the last 4 semesters at UMaine as of April 2021

For those who have earned their Associate degree in CMCC's Associate of Arts in Liberal Studies, History pathway. Courses may vary for students who transfer before earning their Associate degree.

Careful selection of History Electives, in consultation with an academic advisor, is required to ensure that geographic category and course levels requirements are met. Free electives may include History courses as long as a minimum of 60 credits are from outside of History.

Degree Requirement Notes: Total minimum degree credit hours required for the Bachelor of Arts in History is **120 credits** consisting of specific degree requirements, specific elective requirements, a minor or a double major, and general education requirements. A minimum of 30 credits must be taken at UMaine with 15 credits at the 300-level or higher.

A minimum of 12 three-credit history courses (36 credits) with a grade of C or better meeting the following requirements are required to earn a BA in History: At least two courses (one must be upper level) from each of the following geographic categories: United States history, European history, and history of areas outside Europe and the United States or history with either a worldwide or a topical focus (only one Canadian course may count). Six courses must be at the intermediate/advanced course level (All 300 or higher with no more than two of the listed 200 level courses counted as intermediate /advanced courses). HTY 311, normally taken during the student's junior year. HTY 498, normally taken during the student's final undergraduate year. Four additional HTY courses at any level, to make up the minimum 12 courses. At least 18 credits (6 courses) must be taken as courses offered by UMaine. A minimum of 60 credits must be from outside the academic major.

Students wishing to complete a double major instead of a minor should consult with their UMaine advisor as soon as possible. Additional course work will most likely need to be completed to meet the requirements to earn a double major.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMaine students. All applicants accepted to UMaine's baccalaureate programs must fulfill the graduation requirements as identified in UMaine's academic catalog. For up to date degree information please check UMaine's online catalog at <http://catalog.umaine.edu/>. The most recent transfer credit equivalency information is available through the online transfer equivalency listing located at (Maine Street) <https://peportal.maine.edu/>.
