## Campus technology made easy

- **The right computer for every major**

We work directly with faculty to ensure you have the right computer for your major. Featuring Apple® and Dell® models at education pricing.

- **Authorized Apple Campus Store**

The Tech Center is the only Apple Campus Store in Maine.

- **On-site service and repair**

The Tech Center includes a full service on-site repair shop to get your equipment back on track.

- **Electronic components**

For the do-it-yourselfer, the Tech Center has a wide selection of electronic components, including Raspberry Pi.

- **Gamer central**

Stop in for all the gaming essentials for Xbox® and Nintendo® Switch, as well as controllers and software.

- **Accessories and more**

The Tech Center also carries a large selection of accessories including bags, hard drives, mice, cords and cables as well as headphones, ear buds and speakers.
