

Campus living

Exactly where you want to be

Live on campus and you'll be close to it all — support, community and fun. Plus, your residence hall is more than just a place to live. It's a place to thrive, make memories and live conveniently. Students who live on campus are close to it all too, including classes, Fogler Library, dining, student services, sports, recreation and performing arts facilities.

Enjoy the convenience of campus living:

- Secure MaineCard access to residence hall and room
- On-site staff and 24/7 security
- High speed Internet
- Walking distance to classes, dining, recreation and entertainment
- Streaming service with on-demand channels
- On-site laundry with online access — 10 full wash/dry loads included free per semester
- Lounges and mailboxes in each building
- Residential parking lots and snow removal
- Access to free transportation to the greater Bangor area
- Events planned by residence hall staff
- All utilities included

What do residence hall rooms look like? Explore residence hall rooms — including 360 views — at umaine.edu/housing/residence-halls.

Apply today at umaine.edu/housing.

Accepted students may start applying for housing in mid-January. Room and roommate assignments are available after July 1. Students who apply for housing and have confirmed admission by May 1 will have priority for room assignments (i.e., roommate requests, Living Learning Communities).

My College Roomie

This social platform will allow you to self-select your roommate by matching based on the criteria you set.
