

Buy your computer from UMaine's Tech Center

We have what you need for class and beyond

We consult with UMaine faculty

We ask faculty members what they recommend, so you have the right computer with the right specs.

Apple® products are versatile

We specialize in helping you match your needs with the right technology.

Buying local supports UMaine

Support us and you're supporting the UMaine community. Plus we have great deals on Apple products you can only get at the Tech Center.

On-site warranty work

We are an Apple Authorized Service Provider and will take care of your repairs on campus.

Save with low education pricing

Students, faculty and staff enjoy low education pricing on Apple products.

Convenience

Order, pickup and get service from our campus location — plus save on delivery fees.

Come on in. We're ready to help you

Stop by the store to see what's new and discover savings that you can only get at University Bookstore's Tech Center.
