## Service

### Protect your investment

Consider adding Apple Care+ or Safeware protection plans to your order. Ask about these protections when checking out.

### Dell® and Apple® Service Center

The Tech Center can provide warranty work or complete repairs to your Dell or Apple technology on campus. Your computer stays on campus; you save on shipping and time.

## Software

### Adobe Creative Cloud® All Apps license

Your major may recommend an Adobe Creative Cloud subscription. Save money — estimated \$400 over four years — on an all inclusive license available through the Tech Center.

### Microsoft Office 365 Professional®

Download Microsoft Office 365 Professional for free at [mycampus.maine.edu/group/um/home](https://mycampus.maine.edu/group/um/home).

## Accessories

### Complete your order with extras

Your order isn't complete without accessories. Browse our selection online or ask for advice. From laptop sleeves to adapters, keyboards to audio accessories, we'll help you gear up.

### Dell® Back to School Savings

Purchasing a Dell computer? Any Dell PC over \$499 qualifies for a \$100 Back to School mail-in rebate.
