Congratulations!
You’ve been accepted to the University of Maine. We’re thrilled that soon you will join the Black Bear community.
Here’s what you need to do next:

Confirm your enrollment
To reserve your place at UMaine, please complete and return the confirmation form with your deposit of $150. Your confirmation is the key to receiving important new student information. Confirmations are due Jan. 1 for the spring semester, May 1 for fall and within two weeks if you are accepted after those dates. Enrollment deposits may be refunded upon written request through Jan. 1 (for spring) or May 1 (for fall); they are not refundable after Jan. 1 (for spring) or May 1 (for fall). If your plans change after the refund dates, please let us know so we can withdraw you from classes and campus housing.

Activate your email and MaineStreet portal (if you haven’t already done so)
All students accepted to UMaine are expected to regularly check their university email and MaineStreet account to receive important information from financial aid, housing, registration, billing and student services. Need help? Visit the IT Help Center website at umaine.edu/it.

Visit UMaine
Visiting is a great way to see campus and have your questions answered. Attend a specific Accepted Student Day or an Open House, or schedule a visit and a campus tour. For more information call the Admissions Office or go to umaine.edu/visit.

State your housing preference
All accepted students will receive information about Housing Procedures. Once you receive further instructions for filling out your housing application, you should do so as soon as possible.

Apply for financial aid (if you haven’t already done so)
To be considered for financial aid, you must file the Free Application for Federal Student Aid (FAFSA). The FAFSA must be received by the federal processing center by March 1 to receive priority consideration. Failure to meet this deadline could seriously affect your financial aid. Financial aid award letters are mailed after all required documents are received for spring enrollment, and beginning in April for fall enrollment. Note: Even if you miss the March 1 deadline, you should still submit the FAFSA to be considered for Financial Aid.

Take the math placement test
Go to courses.umaine.edu and enter your UMS User ID and password. Click on the Math Placement test link on the right side of the page to start the test; follow the instructions on Next Steps! for more details. It may take up to 24 hours after you have activated your MaineStreet account for the Math Placement Test to be available to you. If you do not see the link, try again in 24 hours. For assistance, contact IT Help Center, 207.581.2506, or the Math Department, 207.581.3901.

Request final transcripts
UMaine must receive final transcripts showing completion of current academic work, including date of graduation for high school graduation. Significant changes in academic performance may result in revocation of our offer of admission. Transfer evaluations are performed by the Office of Student Records using official transcripts received and will be forwarded to your college or program office for final approval. Transfer credits awarded will be posted to MaineStreet after admission.

Attend student orientation
Participate in one of our two-day orientation programs. Invitations for January orientation are mailed in mid-November and invitations for June orientation are mailed in early May.

Submit immunization records
Maine law requires all full- and part-time degree-seeking students born after 1956 to provide proof of TD immunization (tetanus, diphtheria) within the last 10 years and two MMR immunizations (measles, mumps, and rubella) after their first birthday. If the measles immunization was done before 1968, students must provide proof that it was done with a live virus. Compliance is mandatory. Registration cannot be completed until proof of immunization has been verified by Student Records. Mail or fax a photocopy of the record, signed by a doctor or nurse, with specific evidence of dosage, type of vaccine and/or immunity
to: Immunization Records, Shared Processing Center, P.O. Box 412, Bangor, ME. 04402-0412 (fax: 207.561.3450). A high school immunization record is acceptable without a doctor’s or nurse’s signature, but requires the signature of a school official. Note: You can submit your immunization records during Summer Orientation.

Obtain your university ID
The MaineCard is required for all UMaine students; it provides you access to your residence hall, student events, laundry facilities, Black Bear Bucks, Fogler Library and many campus activities. After you have confirmed your plans to attend, you can obtain your MaineCard at Summer Orientation or the Student Services Center in the Memorial Union.

Register for classes
First-year students admitted for the fall semester may register for classes at Summer Orientation. Transfer students may register with their class, as determined by the number of transfer credits earned, and should contact their dean’s office as soon as possible to make arrangements to register. They should not wait for orientation to register.

Purchase your parking permit
All students bringing a car to campus must purchase a permit to park in university lots. Parking Services is in the Student Service Center of the Memorial Union. Note: You can purchase your permit at Summer Orientation.

Learn about jobs on campus
The Office of Student Employment is located in Wingate Hall. To work on campus, proof of eligibility is required (social security card, birth certificate or passport). You will need two of these documents with you when you come to campus. Note: There will be representatives from student employment at Summer Orientation to assist you with your search.

The University of Maine does not discriminate on the grounds of race, color, religion, sex, sexual orientation, including transgender status and gender expression, national origin, citizenship status, age, disability, genetic information or veteran status in employment, education, and all other programs and activities. The following person has been designated to handle inquiries regarding nondiscrimination policies: Director, Office of Equal Opportunity, 101 North Stevens Hall, 207.581.1226.

Clery Act
The Clery Act requires universities to disclose to prospective students our three-year statistics regarding campus crime, including public property within, or immediately adjacent to and accessible from the campus. This report includes our policies for campus security, such as those concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. A copy of this report is available on the Web (umaine.edu/security) or by contacting the UMaine Police Department, University of Maine, 81 Rangeley Road, Orono, ME 04469-5794, 207.581.4051.
