Program Description
The New England Board of Higher Education (NEBHE) has established a regional program under which qualified residents of the region may receive reduced tuition rates when attending college in another New England state. The major chosen must be one that is not available in the student's home state (as approved by the public institution in the home state) and is available for the tuition reduction by the institution the student plans to attend.

Academic Programs
At the University of Maine, you'll find nearly 100 majors, minors and academic programs, and interdisciplinary studies are encouraged. Please explore our programs at go.umaine.edu/find-a-major/
