

Individual Program Transfer Articulation Agreement

Between the Maine Community College System acting by and through

Southern Maine Community College

And the University of Maine System acting by and through

The University of Maine

For Transfer From

Associate in Science in Business Administration

To

Bachelor of Science in Business Administration in Accounting

This Transfer Articulation Agreement is governed by the general Transfer Articulation Agreement Memorandum of Understanding between Southern Maine Community College (SMCC) and the University of Maine (UMaine). Current students and graduates who have been enrolled in or earned the identified degree from SMCC and are admissible to the University shall be eligible for credit evaluation under the terms of this agreement.

Admissions requirements: Successful Completion of the Associate in Science in Business Administration and a complete UMaine application for admission.

Scholarships and Financial Aid dates: Applying before June 1st for a fall entry allows students to be considered for transfer merit awards, June 1st is also the on-time FAFSA filing date for fall transfers.

@ satisfies a UMaine General Education Requirement.

* Students are advised to select SMCC General Education elective courses so that they may complete 1 SMCC course in each of the 3 UMaine general education categories of **Artistic & Creative Expression, Cultural Diversity and International Perspectives** and **Population & Environment**. The Population & Environment requirement can also be satisfied by careful selection of an SMCC Lab Science course, allowing free choice of one of the other designated SMCC General Education elective areas. Choosing to take a Lab Science that also meets a Population & Environment Gen Ed requirement eliminates the need to take a Population & Environment course as an SMCC Fine Arts, Humanities, or Diversity/Ethical Reasoning course. The remaining UMaine general education requirements are met by a combination of SMCC and UMaine required/prescribed courses.

SMCC Business Elective List – select from the following list of SMCC courses that transfer to UMaine and can be used as a free elective.

A minimum grade of C- (or C for English Composition) is required for transfer credit to be awarded. The above list is subject to change, updates are available using the UMS Online Transfer equivalency tool.

Special Notes:

For an up to date list of how SMCC courses transfer to UMaine and which courses at SMCC can be used to meet UM General Education Requirements, please consult the UMS Online Transfer Equivalency Tool that can be found at mainestreet.maine.edu

Courses taken at SMCC in which the student did not earn the required grade to satisfy either transfer credit or degree requirements would need to be retaken at either UMaine or SMCC in order to earn the grade needed to count toward the degree at UMaine. Once enrolled at UMaine, the student would need to seek permission from his or her advisor and complete a domestic study away form to alert Student Records if the student plans to take any subsequent courses at SMCC.

Suggested course sequence for the last 4 semesters at UMaine as of March 2021

For those who have earned their associate degree in SMCC's Associate in Science in Business Administration - courses may vary for students who transfer before earning their associate degree.

*General Education Requirement courses do not have to be taken in the order shown. Student may also choose to meet general education requirements by taking additional courses at SMCC that have been identified as meeting UMaine's general education requirements or if offered, they may choose to take them during May term, Summer session or January term at UMaine.

Degree Requirement Notes:

Total minimum degree credit hours required for the Bachelor of Science in Business Administration in Management is **120 credits** consisting of specific degree requirements, specific elective requirements, and general education requirements.

Concentrations are available in International Business, Entrepreneurship and Management Information Systems – please see the Maine Business School web site for details:

<https://umaine.edu/business/management-major/>.

Students transferring from SMCC fill many of the Business Administration degree program electives with courses taken as part of their SMCC's associate's degree program – students wishing to also complete a concentration with their Business Administration degree at UMaine will need to take additional courses beyond those listed in this agreement to complete the requirements to earn a concentration. Please check with your adviser for specific details.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMaine students. All applicants accepted to UMaine's baccalaureate programs must fulfill the graduation requirements as identified in UMaine's academic catalog. For up to date degree information please check UMaine's online catalog at <http://catalog.umaine.edu/>. The most recent transfer credit equivalency information is available through the online transfer equivalency listing located at <https://peportal.maine.edu/>. See appendix A for complete degree requirements.
